Advantage Tactile Systems Single Domes & Bars
Stainless Steel Bars
From: \$17.40

Detail

The Advantage One Stainless Steel Wayfinding Individual Bars Tactile System incorporates an integral texture in the stainless steel for permanent slip resistance. The Individual Wayfinding Bars are the leading industry standard for detectable warning products; proven for durability exceeding any detectable warning product on the market. Advantage One Individual Wayfinding bars are drilled and fastened directly into the ground creating a safe pathway/guidance indicator system, designed for all interior accessibility solutions

Product Features

- 316L, Marine grade stainless steel
- Innovative adhesive capture design
- Optimum anti-slip design
- Resistant to heavy traffic abuse and maintenance machinery
- 5 year manufacturer's warranty
- Bars come in the following styles:
 - Linear Grooves
 - Crosshatch Pattern
 - Carborundum - Non-Slip
