Elan Tile
Porcelain Attention Domes Tile
From: \$16.20 Per sqft

Detail

Elan Tile Porcelain Tactile Indicator Attention Domes are designed for style and engineered for performance. Elan Tile Attention Domes incorporate the best raw materials allowing the product to meet the designation of Porcelain Stoneware and is suitable for both interior and exterior applications. Elan Tile offers highly durable and versatile walking surface indicators (truncated attention domes) to serve as a warning to all pedestrians of potential hazardous conditions ahead, indicating the end of a curb or an edge drop off. Elan Tile Porcelain Attention Domes are fully Canadian Accessibility code compliant.

Product Features

- Certified porcelain stoneware for maximum durability and surface hardness
- Full body porcelain that gives a highly compact surface with extremely low absorbency characteristics
- Not affected by stains, water or chemicals
- Exceptional resistance to thermal shock, deep abrasions and frost
- R11 finish meets most demanding slip resistance requirements for construction projects in high traffic areas
- Versatile and easy installation for interior and exterior environments
- Field tile available in different sizes
- 5 year manufacturer's warranty
