## Wayfinding Tactile

From: \$12.40 Per sqft

Accessibility legislation requires implementing solutions compliant with codes for creating safe pathways for the visually impaired. Our Code Compliant Tactile Solutions with wayfinding bars are for areas that are not dangerous but indicate a safe passage for the visually impaired. The code-compliant wayfinding bars are specifically made in different materials, colors and sizes to provide compliance in all situations, inside, outside, on newly built, on retrofit and existent surfaces. They are
