Fire-resistant Tactile

From: \$30.78 Per sqft

In some cases, the municipal, provincial, federal legislation and the Fire Code require a mandatory installation of fire-resistant Tactile Walking Surface Indicators (TWSI) for both attention domes and wayfinding bars inside of a building. In these cases, our Code Compliant Fire-Resistant Tactile Solutions provide the solution you need. The fire-resistant tactile solution is available in different standard colors to choose in accordance with maintaining contrast to the surface. The ease of
