Attention Tactile

From: \$11.30 Per sqft

Canadian accessibility codes require the mandatory installation of attention Tactile Walking Surface Indicators (TWSI) to indicate the visually impaired that they are approaching a potentially dangerous location. Our Code Compliant Tactile Solutions with truncated domes are specifically made in different materials, colors and sizes to provide compliance in all situations, inside or outside, on newly built or on retrofit and existent surfaces. The various colors available are all code-compliant attention domes
