Tactile Tiles

From: \$12.40 Per sqft

Canadian accessibility legislation mandates the installation of Tactile tiles for sensing dangerous areas and for safe path-marking for the visually impaired. The tactile tiles can be felt through their cane or feet to prevent the risk of falls, slips, or any accidents. Our Code Compliant Tactile Solutions are available in different sizes and radius' allowing for custom fitting and cutting to meet any area needs. Choose from a variety of materials and variety of colors to deal with aesthetic requirements while
